

5 Must-Haves for an Effective Blog

01

Credible and reliable content that is relevant to a **target audience**

02

Easy to use - clean design, fast-loading pages, simple navigation

03

Mobile compatibility

04

Strong calls to action e.g., an opt-in for email list, social media links, etc.

05

Easy to find "About Me" and "Contact" pages
